- Hall of Fame update.

Board meeting last night unanimously approved the HOF.

Sponsorship for HOF is trying to be found ASAP.

\$20,000 is expected to be approved for HOF in January by board.

Plaques vs. trophies TBD.

- AGC Budget

\$3,000 allocated grant money that is not used.

Plan it to streamline grant application for safety and rules clinics. Possibly highlight that this money is available in USAT e-mail blast. Will attempt for 1 more year to grant this funding.

- Web Site status

Trying to get it up and running soon in order to use money allocated for 2007.

Lee and Chuck are going to work on it. Volunteers are still needed on this project if you are available, contact Chuck.
